

Unleash the Power of Play at School with Gnome Games' Game On! Program

Does your school or organization want to:

- Spark creativity and critical thinking in students?
- Foster teamwork and social interaction?
- Offer a fun and engaging after-school activity?

Look no further than Gnome Games' Game On! Program!

Here's what Gnome Games offers your school or organization:

- **Engaging After-School Game Days:** We'll bring the fun to your school with a dedicated Game Day event each semester. Our knowledgeable staff will lead students in exciting games, fostering a love of learning through play.
- **Expert Game Library Curation:** Building a game library for your school club? We'll help you curate a diverse selection of age-appropriate games that cater to different interests and skill levels.
- **Special Game Club Pricing:** Access exclusive discounts on games to stock your school's library, making it easier to build a rich collection.
- **Learn to Play Activities and Support:** Not sure how to play a particular game? No problem! We offer learn-to-play activities and ongoing support for your game club leaders. We can provide up to one support session per major category (e.g., Chess, Trading Card Games) each semester to enhance your club's offerings.
- **Fundraising Assistance:** Looking for creative ways to raise funds for your game club? We can offer ideas and support to help you achieve your goals.
- **Stay Ahead of the Curve:** Receive regular updates on the latest game industry news and information, keeping your club informed and engaged.
- **Gain Exposure:** Get your game club featured on our social media platforms or website, increasing visibility and attracting new members.

We Support a Wide Range of Games:

- Classics like Chess, Backgammon and other family games
- Board Games, Card Games
- Miniature Games
- Role-Playing Games (RPGs) Like Dungeons & Dragons, Pathfinder and Magical Kitties
- Trading Card Games (TCGs) like Magic the Gathering, Pokemon, Yu-Gi-Oh!, and Disney Lorcana
- And More! Don't see your game listed? Just ask!
